

Dear Brothers and Sisters.

This prayer letter come again under another covid heart attack the world is facing!
We pray that all of you and your family members would be under the blood of Jesus protection.
We thank God for all of you your commitment, and faithfulness to our ministry here at the "New beginnings", children's home.

The school has-been finished! We are so thankful to all of you for your generosity in giving finances to run the children's home. Please pray that God with find other people too pray and finance the children's home. The most difficult school year which we ever had. The online schooling was Big Challenge to all of us, because having in your home 12 children and each one of them needed help, has been the biggest challenge all call times. We have different teachers volunteers during this time from the church. The Lord bless them.

We need your prayers. The new school 2021-2022 should be physically in the school. Otherwise is going to be very difficult if things doesn't change. We were very grateful and thankful for the behaviour of the children they had during this period of time.

Prenga has totally transform during this time. It looks that God made it in Miracle because he's a different person. Thank you for your prayers. Please pray that this will continue in the Future too.

We had great two weeks holidays on the beach, Durrës, Albania. Children were very happy they told us that those has been the best holidays ever. I believe they told us this because of very difficult year of lock down and online schooling. We are so grateful and thankful that was possible for us, because after those holidays we saw the children they were very relaxing and happy.
Now we need some specific prayers for the children.

Tone.

Just finished the Middle School, and now she is looking to go to university. But we need your prayers that really it's fine as she think would be helpful in the future for her. Pray that God with make financial miracles for her to do this University, because she need for 3 years each month £200!

Because of the children staying in the home 24/7 this year some of the furniture are broken, and we need to replace them. We need at least £4000 to change some and repair the rest.
Please keep praying that God with provide all the financial needs for the beginning of the school new year . Usually we saved money during the year for the school new year but because of what happens last year and this year with covid-19 online schooling, we have no money left side.

Please pray for the stuff God will give them wisdom the new ways to deal with the children during this period of time.

Pray for me and Luli also because we need God's wisdom and His guidance.

With love in Christ.

Paulin Vilajeti
